

SCHOOL DINNERS

📢 School Dinners – Important Update

Please be aware that the cost of a school dinner is now **£3.20 per meal**. If you think your child may be eligible for **Free School Meals**, please contact the school office, who will be happy to provide further information.

As part of the government's provision, **Reception, Year 1 and Year 2 children continue to receive their school meals free of charge.**

We would also encourage parents and carers to **select their child's meal choices on ParentPay at home before coming to school**. This gives you the opportunity to look through the menu together, help your child make their choices and talk about the different options available. It can also help children feel more confident and prepared when choosing their lunch at school.

PSHE CONSULTATION

As part of our ongoing parent consultation process, we have shared our newly drafted PSHE Policy with parents and carers this week. The policy has been reviewed and amended to reflect recent changes to government guidance and requirements. We would like to thank parents and carers for taking the time to read the draft policy. We look forward to receiving your feedback and will carefully consider and address any comments or suggestions as we work towards finalising the policy. Thank you for your continued support and engagement with our school community.

JOB OPPORTUNITIES AT KPS!

Exciting Job Opportunities at Our School!

We are excited to be recruiting for some fantastic opportunities to join our school team! We currently have vacancies for a **Breakfast Club Lead, General Teaching Assistant and Pastoral Lead**. These are wonderful opportunities to become part of our friendly, dedicated team and make a real difference to the children and families in our school community. If you, or someone you know, would be interested in joining us, please look out for the full job details and application information.

PUPIL PREMIUM FUNDING

Pupil Premium – Your Application Really Matters

This week, some families will have received a letter about Pupil Premium and potential eligibility. We wanted to highlight just how important it is to complete the application if you think your child may be eligible.

Pupil Premium funding makes a real difference to our school and, most importantly, to the children we support. The funding helps us to provide additional opportunities, resources and targeted support that can have a positive impact on children's learning, wellbeing and experiences in school.

Importantly, **registering for Pupil Premium does not mean that your child is treated differently or receives less than anyone else.** It simply allows school to access additional government funding to invest in supporting our pupils.

Even if your child is in **Reception, Year 1 or Year 2 and already receives Universal Infant Free School Meals, you may still be eligible for Pupil Premium funding.** Every eligible application helps our school to access **valuable additional funding for our children.**

If you think you may be eligible, please take a few minutes to complete the application. If you are unsure or need any help, please speak to the school office – we are very happy to support you.
