Miss School, Miss Out!

We have lots of exciting things coming up after half term! If you miss school, you will miss out!

Class 1 will be learning about celebrations around the world; starting with Diwali!

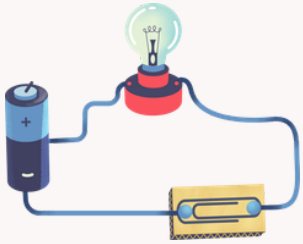

Class 2 will be getting creative by exploring colours and tools in their Bonfire artwork!

Class 3 will be learning all about the Ancient Greeks in History!

Class 4 will be exploring electricity in Science where they will be building circuits!

Don't miss out on Thursday's Sausage and Mash!

ATTENDANCE

Every day at school makes a difference! Regular attendance is essential for children to make good progress, build strong relationships and get the most from their learning. Persistent absence is a concern because missing school regularly can quickly add up to a significant amount of lost learning. Even a few days missed can mean children miss important teaching, key knowledge and opportunities to practise and build on their learning. We ask all families to make attendance a priority and support their children to be in school every day, on time and ready to learn. Thank you for your continued support.

WINNERS!

Class 1 for having the most children still at 100% attendance!

A Polite Reminder

If your child arrives at school after 8:50am, they will be required to sign in using the electronic system in the entrance. This requires a parent/carer to do this with them.

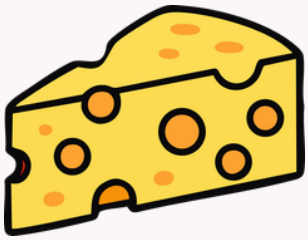

RECEPTION 2027

The deadline for Reception school places for September 2027 is looming. All applications need to be with the local authority by 15th January 2027. School places will be allocated by the local authority on 16th April 2027.
Please make sure you've got those dates in your diary.
We can wait to welcome our next amazing Reception children to school!

BREAKTIME SNACK

A quick reminder that breaktime snacks should be **fruit or cheese only**. This helps us to encourage healthy choices and supports children to stay focused and ready to learn throughout the morning. Thank you for your continued support in helping us promote healthy habits at school.

THIS WEEK'S EVENTS

PARENTS' EVENINGS

A huge 'Thank You!' to those parents who were able to join us for Parents' Evening this week. It is always great to share how your child has settled into their new class, what they are learning on and their next steps to success. For those parents who were unable to attend, your class teachers will make further appointments with you after half term. As always, if you have any questions about your child's wellbeing, learning or progress, please speak with a member of your child's teaching team.

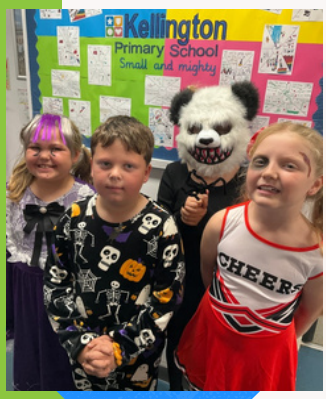

BREAK THE RULES DAY!

Well done to our JLT for organising our first fundraising event of the school year. It was brilliant to see so many children joining in with breaking the rules. This ranged from awesome Halloween outfits to Cake Shed cakes for snack!

Thank you to everyone who donated towards this event. Together, we raised £106.80 which will go towards our school funds!

How did we SHINE **this** week?

Shining Stars

Class 1	**Selena** for trying your hardest to follow instructions and routines in Class 1!
Class 2	**Aasman** for being a true superstar all of the time.
Class 3	**Reuben** for putting 100% effort into all of your learning this week!
Class 4	**Lincoln** for trying your very best all week and for being resilient with your work.
