Good Luck Year 6!

Good
Luck
you got
this!

Next week, our wonderful Year 6 children will be undertaking their SATs.

Year 6, you have worked so hard throughout this year. Remember, these tests will only show one week of how incredible you are. It is about taking your time, taking a breath and doing your best. We believe in each and every one of you and are so proud of the fantastic people you are.

We will all be cheering you on!

Visit from our local MP – Keir Mather!

In today's Future Friday assembly, we were visited by our local MP, Keir Mather. He talked to the children about how he represents around 75,000 people and is their voice in parliament! Keir talked about how he comes from a small village in Selby, similar to Kellington and went to a rural village school just like ours! The children took part in a vote in the assembly as well as asking some fantastic questions. They completely blew our socks off with their thoughtfulness and respect throughout.
