Friday 29th April 2022

What a busy but productive first week of the summer term. The children have settled back into school well and lots of great learning has taken place this week.

You will receive today or on Monday, a paper copy of the planned learning for your child this term. These plans can also be found on the school website. If you have any questions please do not hesitate to speak to your child's class teacher or myself.

Young Voices

Our Young Voices choir had an amazing afternoon and evening at Sheffield Arena on Wednesday. The children are truly 'buzzing' about the experience and I am sure parents and friends who attended to watch the concert were delighted with their performance. Thank you to Mrs Houlden and Miss Fairbairn for all the essential preparation to enable the children to 'Shine' and accompanying the choir to Sheffield and to Miss Rowley for her support during the autumn term.

Guitar lessons

We will be welcoming a guitar teacher into school next Wednesday 4th May and all children who have requested a taster session will be seen. Following this you will receive further information in reaction to signing up and paying for lessons should you so wish.

Lilies class will start their 10 weeks of Ukulele lessons and we look forward to having them perform to us later next half term ..

Reading

This week another four children received their book from our book vending machine (Steve, Lauren, Bridie, Nieve). If your child reads to you or has read independently and this activity has been recorded signed by an adult in the child's reading record x **4 times during the week** their names will be put into a hat to be drawn to receive a book from the vending machine. Happy reading .

PTA

Our PTA will be selling ice lollies at the end of school on a Friday (potentially Thursday 26th May as we are not here on the 27th). They will stand outside the car park gates and the lollies are 50p. We will let you know if they are not going to be there.

On **Saturday 16th July between 11am -2pm** they will be running **Kellington School Summer Fair**. They have lots of exciting plans which we will be sharing with you shortly however please save the date. We are hoping we have a good turn out and the invitation to attend is open to our wider school community, within the villages our school serves and the children's family and friends.

If you have any ideas, suggestions or wish to get involved and help beforehand or on the day please contact the PTA through their facebook page or the school office. Also if you or anyone you know would like to have a stall at this event, let them know. We are hoping for fine weather and a real community event with entertainment, food, stalls and lots of activities for the children.

Summer uniform

As the warmer weather approaches please can we ask that you always send your child to school with a coat, so they are not caught out when we get a summer shower.

We are happy for school uniform summer dresses to be worn or grey shorts as the days warm up, should children wish. Please could children also bring their water bottle to school each day and a sun hat to protect them when the temperature increases. Please can you also apply sunscreen at the start of the day so children are protected throughout the day. If your child

needs to reapply their sunscreen throughout the day please speak to your child's class teacher

School Meals

Thank you to those of you who, following our correspondence, are now choosing their child's school meal. **Please can we ask everyone to pre order their child's school dinner on Parentpay?** As we have explained we have this system in place to support your child to choose a school dinner they are going to enjoy. The choice can be done up to 3 weeks in advance and up to 8am on the day of the meal. Our younger children especially find it difficult to make a choice from the pictures during school registration in the morning and whilst the adults in the classroom are available to help, unlike you, we do not know what your child does or does not like.

If you need any help with accessing the meal selector on ParentPay please speak to your child's class teacher or the school office. By choosing your child's school meal it means we can confidently encourage them to eat what they have chosen as we know it is something they like and also, as the register can take quite a while if children haven't pre chosen their meal, we have more time for learning. Many thanks.

Covid 19

Please, If your child shows any signs of the covid virus (**A new, continuous cough, or a high temperature, or a loss of, or change in, their normal sense of taste or smell**) it is important that they do not attend school, as with any other illnesses.

Uniform etc

Please do remember to label all parts of your child's school uniform including PE kit, coats and hats. It is our school policy that long hair should be tied up for school and definately during PE. School shoes should be plain black shoes or boots, not trainers please, unless there are mitigating circumstances that have been discussed with school. Earrings need to be removed for PE (including swimming). Please speak to the school office if your child has just had their ears pierced so a suitable length of time can be agreed for when the need to remain in situ and the protocol explained. No jewellery should be worn for school, except a watch or small plain stud earrings please. Can we also ask that nail varnish is also removed for school. Many thanks for your co- operation

STARS OF THE WEEK

Sunflowers - Jacob G

Daffodils - Jacob A-B

Roses - Isobelle G

Tulips - Tia

Lilies - Harry R

Houses

The winning House this week is **Roall**

Platinum Jubilee

In honour of the Queen's Platinum Jubilee we are inviting children and staff to wear Red, White and Blue on Thursday 26th May. We will spend the day exploring the seven decades Queen Elizabeth has sat on the throne.

We have a special lunch planned from the kitchen that we hope many of our children will sign up to and we will be inviting Sunflowers children to join us on that day.

We will be decorating the hall and there will be some flag waving and music throughout the day.

Boxes please

Daffodils and Roses classes need boxes for a science project. Shoe boxes, egg boxes, cereal

boxes etc are perfect. Any donations are greatly appreciated. Thank you

Attendance

Please continue to ensure that your child comes to school everyday that they possibly can.

We are working extremely hard to enable all the children to not be disadvantaged by their lost learning due to the issues over the last 18 months and therefore they need to be here, in school, for us to be able to support them to be the best they can be .

Please can I remind everyone to inform us promptly if your child is absent from school, we do need a message via telephone or email as early as possible, by 9.30 am at the latest, however sooner is preferable. If we do not hear from you we have a duty of care to make contact to establish where your child is. We will keep ringing you until we get a reply. If we don't get a reply we could have to report your child as a missing child.

We know this is sometimes difficult but whenever possible please try and make any appointments outside of school hours, or at the beginning or end of the school day.

Attendance this week

Lilies 90.43 % Tulips 91.67% **Roses 97.60%** Daffodils 87.50% Overall 92.27%

We need children to be in school everyday they possibly can please. Please do not take your child out of school unless it is absolutely necessary. Everyday of learning that they miss is vital to their education journey, it is often hard for many children to catch up.

Free School Meals

If you think you may be entitled to Free School Meals please do contact the school for further information on how to check your eligibility and apply. Even if your child is in KS1 and is currently receiving a universal free school meal, if you are eligible for FSM it is really important that you apply, as there are still additional benefits for your child,

Dates for the Diary
