## A note from the chair

I had the joy of coming to school on Wednesday morning and meeting so many of you as school opened that day. Thank you so much for working with us on getting the children to school on time - it makes a big difference for all of us, but most importantly giving the children clear structure and focus for the day ahead - let's keep working together on this.

I'm sure many of you will have seen and experienced the refurbishments we are doing across the sites - from early years through to our Nook space - we are working away around the classes and trying to make the spaces as bright and inviting as we can.

I was so impressed by the focus and concentration of all the children when I attended classes, with many of them wanting me to see their work or their projects. I was also lucky to observe Forest School (which just looks like the best fun ever) and to see how it was getting the whole class to engage as one.

And just to underscore how much of a team Kellington is - I managed to sneak some time in Mrs Gibbons-Lee's kitchen where a hearty bolognese lunch was underway - it looked delicious!

Have a lovely weekend

## Forest School

On Wednesday 17th April, Year 3 will have their opportunity to access their Forest School session. Please dress for all weathers in clothes you don't mind getting dirty.

## British Science Week

Before half term as part of British Science Week, the children could enter a poster competition demonstrating 'Time'.

These children produced posters about time, varying from 'The life cycle of a bee' to 'The generation of video games'.

Oliver H won a Slime Kit with his interpretation of 'How time Flies'.

## PTA Event

Friday 24th May - Dress Down Day (Own clothes) - to take part in this event, the PTA are asking for a donation of a 'bottle' for the bottle tombola being held at the Summer Fayre. This could be anything held in a bottle from shampoo to something a bit more adult!

## SAFE & WELL VISITS

A Safe and Well visit involves us coming to your home to offer fire safety advice, including:

- how to reduce and prevent fires
- looking at possible fire risks in the home
- advice on bedtime routines to help keep you safe at night
- helping you think about an escape plan
- checking you have working smoke alarms and know how to test them.

We can also offer advice about health and wellbeing. This may include where to find advice and support on:

- giving up smoking
- avoiding falls
- keeping your home warm.
