Forest School

Last week, Year 5 enjoyed a windy day in Forest School. The day started with a den building challenge involving tarpaulins and ropes, where the children battled the elements as the rain made an appearance. It was lovely to see the sheer determination and teamwork amongst the children.

The afternoon continued to bring challenges as the wind continued to blow. This did not phase the children as they created a range of wooden objects (bows and arrows, bowls, butter knives and mushrooms). Finally, the children finished their day with a feast of pancakes and nettle tea. The children are excited for the next session where they will continue to build on their Forest School skills.

On Wednesday, Year 1 will have their opportunity to access their Forest School session. Please dress for all weathers in clothes you don't mind getting dirty.

Google Classrooms

Every child in our school has access to their class's Google Classroom. This is where teachers post weekly homework for classes 2, 3 and 4.

Each child's email is

firstname.surname@kp.starmat.uk

For children in Class 1, your weekly homework will come through Tapestry notifications.

Year 6 Residential

We would like to say a great big well done to all the Year Six children: their attitude, behaviour and conduct towards adults and each other has been exemplary during our stay at Kingswood. It was the first time Y6 children from Kellington and South Milford had mixed and some good friendships were quickly formed! They should be very proud of all their achievements-many

children overcame some fears and pushed themselves to try something new. Well done everyone!

STAR EATS

HARVEST FESTIVAL

Celebrating our local farming communities
THURSDAY 5TH OCTOBER

MENU

ROAST BREADCRUMB CHICKEN/QUORN FILLET
Supplied by C&G Starkeys, Sherburn in Elmet

Star of the Week

Class 1 - Freddie

Class 2 - Oliver M

Class 3 - Isobelle

Class 4 - Sophie

Mathematician of the Week

Class 1 - Nola

Class 2 - Lincoln

Class 3 - Caroline

Class 4 - Kobi

Golden Welly

This week the Golden Welly has been given to Class 3. Staff have noticed that the children within the class are not only cleaning up equipment they have played with but taking responsibility for any equipment they see left out. What great examples of our Kellington Way!

We are looking at increasing our bank of spare waterproofs and wellies in school. To ensure that we can keep enjoying outside play all year long and in preparation for the wetter and colder months. If you find that your children have grown out of any please donate to school. Thank you so much for your support in advance of this.

School Milk

Would your child/ren like to have a third pint of milk during the school day? If so please follow the following to place your order with our provider:

<https://customers.coolmilk.com/V2/register/>

Children under the age of 5 automatically receive this free so do not need to order.
