## JLT Poster Competition

The Junior Leadership Team are launching a poster competition to promote sustainability within school!

The posters are to have the themes of:

- saving electricity (such as turning lights off)
- recycling paper

The children have the option of making a poster that relates to each of the themes or just one. They are to be designed on an A4 piece of paper. Please hand posters into their class teacher or office.

Competition deadline is Monday 4th December.

The JLT will select winners from each key stage. These will be announced during assembly on the 8th of December and the winners will have their posters proudly displayed around school!

## Christmas Performances

You can apply here by filling in this simple form:

If you would like to talk to our chair of governors, on an informal basis about the role first then please contact the school office by emailing: [admin@kp.starmat.uk](mailto:admin@kp.starmat.uk)

### What do local governors do?

School Governors are responsible for strategic leadership and accountability within schools. In practice, this means that governing bodies are responsible for such things as: setting a range of school policies and ensuring they are adhered to; setting and monitoring the school budget; monitoring the progress that the school is making and setting targets for school improvement. Governors are not involved in the operational running of the school. The daily management of the school is the responsibility of the Headteacher.

## Early Years Stay and Play

Thank you to all the parents who were able to come to our first 'stay and play' of the year. It was fantastic to see grown ups enjoying the provision areas as much as the children!

Our next stay and play will be from 2.15-3.15pm on 15th December, where the children will perform their Christmas songs and access Christmas crafts. We hope you can join us.
