Sports Day Afternoon (Reception to Year 6)

Our Sports Day will take place at 1.15pm on Wednesday 5th July. All children will need their PE kit to change into, and water bottles. Family members are welcome to attend and you will be able to access the school site from 1:00 pm.

The PTA will be selling cold drinks, bakes and ice creams throughout the afternoon. There will be an opportunity after school, once the students are picked up by parents to buy something for their children

Forest School day – Nursery

On Tuesday 4th July, Nursery will have their Forest School Day. Please ensure your child comes to school in sturdy shoes and long bottoms which you don't mind getting dirty. A waterproof coat is also advised in case our great british weather varies on the day.

Golden Welly Award

This week we have been working particularly hard on how we are inclusive in our play when using the equipment. A super example of this was Gracie who has been a lovely role model to the younger children and included them in her play.

Next week we are looking at respecting our new equipment. Our welly will be presented to the child who is ensuring they are tidying the areas where they have been playing and showing respect to the equipment.

We are looking at expanding the resources on offer to the children. If you have any lego or small building equipment that you no longer require please feel free to donate to Opal Play. As summer is upon us, if you have any outgrown wellies or waterproofs that your children no longer need, these are always welcome at school to ensure the children can play all year long. Thank you in advance for your continued support with this.

Summer Fair

Everyone is invited to come along to our Summer Fair on Saturday 8th July from 12:00 - 3:00pm. There will be lots of stalls, refreshments, face painting, games, raffle, bouncy castle and so much more! Lots of fun for the whole family so please pass this invitation on to the whole community so that we can make it a really good fundraising event!

30 Hours Nursery Announcement

All Nursery aged children are entitled to 15 hours of free early education. Kellington Primary School currently provides this provision from 8.45am to 11.45 each day.

We are pleased to announce that from September 2023, we will be able to offer 30 hours of free childcare from September for eligible families!

From September 2017 the vast majority of working parents of children aged 3 and 4 years old are entitled to up to 30 hours free childcare a week. A child qualifies for this free childcare if they are resident in England and under compulsory school age. If both parents are working (or the sole parent in a lone family) and are earning a weekly minimum wage **equivalent** to 16 hours at national minimum wage/national living wage, approximately £120 a week.

To find out if you are eligible <https://www.gov.uk/apply-30-hours-free-childcare>

If you are eligible you will be sent a code for 30 hours free childcare via the government portal. You must bring this code to the school office along with your National Insurance number, and your date of birth. Once we have verified your code, you will be offered a place.

Sessions for 30 hour provision will run:

Monday to Thursday 8.45 to 3.15pm. On Fridays, our 30 hours offer will finish at 11.45am, however an additional session can be purchased for Friday afternoons at a cost of £16.80. For those families who wish to access more than 15 hours but are not eligible for 30 hour funding, we do offer the ability to purchase additional afternoon sessions at £16.80 per session plus £3.10 for the lunchtime session.

Children who attend for full days can purchase a school lunch, these cost £1.80 currently however there may be a small price increase in September, or bring a packed lunch. Please contact the admin team on admin@kp.starmat.uk with your requirements for the autumn term. Bookings to be made by 30th June to allow us to plan for the autumn term.

Please contact myself or Mrs Houlden if you have any questions.

Get active with the Summer Reading Challenge 2023!

Children can once again sign up for the Summer Reading Challenge at their local library during the holidays. This year the theme is Ready Set Read! and is all about the power of play, sport, games and physical activity.

The challenge for children is to read 6 library books of their choice and collect special stickers and other prizes along the way – everyone who finishes will receive a limited-edition Ready Set Read! medal and a certificate. Any child aged 4 to 11 can join in and the challenge runs from Sat 15th July until Sat 9th Sept.

There will also be a fantastic programme of activities in libraries all summer, many of them free, to go with the challenge – look out for flyers with more details which have been sent to schools for children to bring home.
