Skateboard and Scooter Taster Day

Wow, wow, wow! Our children had a fantastic time having time to learn new skills on either skateboard or scooters. The children learned to complete different balances, flip their boards and do mini jumps on the equipment with their classes. It was fantastic to see the children accessing something new and taking safe risks together.

Speed Stacking Taster Day

What a week our children have had! Not only did they have a scooting/boarding session, but all of our children got to take part in speed stacking games. The children worked as a team to complete different challenges involving stacking different sizes cups. If you have any plastic cups at home, see if the children can show you what they learnt!
