## Valentine's Cake Sale and Book Stall

Friday 9<sup>th</sup> February

3:30pm – 4.15pm

Running alongside the PTA Valentine's Day cake stall

There will be lots of books to choose from and all we ask is for a small donation to help us raise funds for some den building equipment for OPAL play.

If you have any children's books at home that you would like to donate for the stall please bring them into school and either hand them to your child's class teacher or reception.

Thank you

## Attendance and Punctuality

We continue to shine a light on improving our punctuality and attendance here at Kellington Primary School.

Attendance and punctuality at school is not only about safeguarding, but also about learning and lost opportunities.

When looking at the minutes late combined across the school from last week, this totalled **5 hours 52 minutes**. That's an increase of 2 hours and 31 minutes from last week.

This half term, we are really focussing on reducing the minutes late for the benefit of our children.

By being on time, children:

- Avoid embarrassment of walking into a class who are already learning
- Know the daily routine as this is shared when the children enter
- Have social time to greet their friends and make positive connections for the day
- Have settling time to be ready for learning.
- Do not miss out on important learning which is the building blocks to high school preparation and their futures! This cannot be regained.

Last weeks attendance was 89.62%

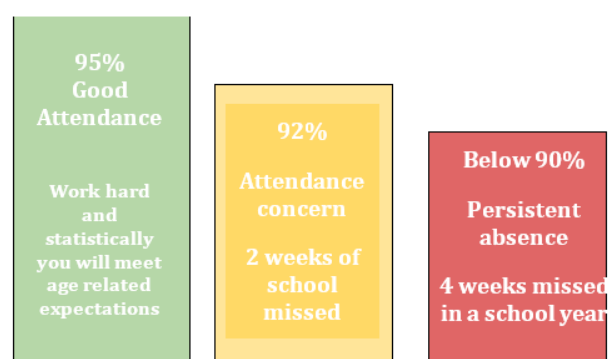

## Kellington Primary School

# Attendance is the Key to Success

Students are required by law to attend school every day, unless ill. The Government states that every pupil's attendance should be at least 95%.

Being **LATE** after registration will also **LOWER** your attendance.

If you have only 10 days off school (either authorised or unauthorised), your attendance will only be:

**94.7%**

To have the best possible chance at school, you should be in school at

**8.45am**

and ready to start learning!

**ATTENDANCE MATTERS**

*To shine together, we need to be together!*

Exceptional  
100% Attendance

Very Good  
96% - 99%

Potential to Improve  
92% - 95%

Must Improve  
92% and below

At Kellington Primary School, we consider 92% or below:

**Serious risk of underachievement**

For **every minute** that a student is late to school or a lesson, or misses a day, they are **losing learning time**. This will significantly affect their **progress**.
