Miss School, Miss Out!

Regular attendance is vital for children's wellbeing, learning and friendships. When children are in school consistently, they stay connected to their peers, feel confident in their routines and don't miss out on the exciting experiences that build their skills and spark their interests. Every day offers something new, and we want every child to be part of it

Class 4 will be going to Crucial
Crew on Wednesday!

Class 1 will be having
extra wet water
play!

Summer Fair
Thursday 3-5:30pm

Class 3 will be
making and trying
their own fruit
infusions.

Attendance and Lateness

This Week's Class Attendance:

On Time vs Lost Learning!

Being on time is crucial to starting the school day positively, knowing what is happening in the day and making the most of learning.

This week, we have collectively been late by 1 hours and 45 minutes. This is the same as 2 morning lessons! This could mean missing English and Guided Reading, along with specific targeted work to help your child progress.

The classroom doors will open just before 8:45am where children all have work prepared from the minute they enter. If you arrive on the playground after this point, you are marked as late which impacts negatively on your child's wellbeing and education.

Highlights of the Week

Move Up Day

This week, the children had a fantastic time during Transition Day, enjoying the opportunity to meet their new teachers and spend time in their new classrooms.

Throughout the day, they took part in a variety of team-building and 'getting to know you' activities, helping them to build confidence and make new connections. They also enjoyed exploring how our brains learn during our Growth Mindset sessions, developing their understanding of resilience, perseverance and the importance of embracing new challenges. It was a wonderful way to prepare for the exciting year ahead!

Class 1 - Miss Rand and Mrs Worth

Class 2 - Mrs Osman and Miss Weston

Class 3 - Mrs Reynolds

Class 4 - Mr Bracchi

Year 3 Forest School

This week, Year 3 enjoyed making delicious pizzas and taking part in a range of exciting Forest School craft activities. They had a fantastic time throughout the week, demonstrating excellent resilience and perseverance as they tackled new challenges and developed their skills. We are very proud of their enthusiasm, creativity, and determination!

Highlights of the Week

Healthy Schools GOLD!

After a great deal of hard work and dedication from our staff, we are incredibly proud to announce that our school has been awarded the Healthy Schools Gold Award.

As part of this achievement, we have worked hard to enhance many aspects of school life, including our lunchtime experience, school meals and the ways we encourage children to lead active, healthy lifestyles across the curriculum. This award recognises our whole-school commitment to promoting the health and well-being of every child.

We are delighted to have received this prestigious award. We would like to thank our staff, children and families for their continued support in helping us create a happy, healthy school community.

Headlice

We have had a couple of reported cases of headlice this week. Whether your child appears to be itchy or not, please check their hair and treat as needed.

For further advice, please see the [NHS website](#) for treatment cycles and eradication.

Keeping Safe in the Sun

With the temperature set to rise, please make sure your child comes to school with a water bottle, sun cream already applied and a sun hat.

If you would like them to reapply their suncream, please send this in with them in a named bottle.

READ to the BEAT

School or local newsletter copy:

Turn up the volume on reading this summer!
This summer, North Yorkshire Libraries in partnership with The Reading Agency invites children to discover the joy of reading through Read to the Beat! — the music-themed Summer Reading Challenge 2026.

With a fantastic collection of books inspired by music from around the world, children can explore stories, poetry, graphic novels, and non-fiction for all reading levels. Best of all, books are FREE to borrow from your local library.

As part of the National Year of Reading, libraries are encouraging families to make reading part of their summer adventures. Children can sign up at the library or online, set their reading goals, and enjoy rewards along the way.

Read to the Beat launches in North Yorkshire on Saturday 4 July. More information, along with full details of over 250 often free events across the county can be found on individual library Facebook pages or on North Yorkshire Council's website at <https://northyorks.gov.uk/src>

WhatsApp/Text Messaging

Read to the Beat! Summer Reading Challenge - free at your library!

Dear parents and carers,

Your child (age 4–11) can join the **Summer Reading Challenge** this summer. It's fun, free and helps keep up reading skills over the holidays!

- Set a reading goal
- Read whatever they like – books, comics, eBooks, audiobooks
- Earn stickers, rewards and even a certificate
- It's a great way to boost confidence and make reading fun!

Available in libraries or online: <https://northyorks.gov.uk/src>

Starts on Saturday 4 July
