Miss School, Miss Out!

Regular attendance is vital for children's wellbeing, learning and friendships. When children are in school consistently, they stay connected to their peers, feel confident in their routines and don't miss out on the exciting experiences that build their skills and spark their interests. Every day offers something new, and we want every child to be part of it

Class 4 😄
will be computing with
Mrs Houlden!

Class 2
will be making music on the
drawing program in Computing!

Class 3 will be making a
delicious fruit salad.

Highlights of the Week

Welcome baby Ezra!

As many of you will have noticed, Mr Bracchi has not been in school. We are pleased to announce the safe arrival of baby Ezra! A huge congratulations to Mr and Mrs Bracchi - we can't wait to meet him!

EYFS Police Visit

Local police staff came to visit Class 1 this week! They talked to us about how they keep us safe and how they can help us in different situations. We talked about the importance of road safety and stranger danger. We learned about the various job roles within the police force and the different types of police transport. We got to see key features of the uniform and got to go in a police van!

Healthy Lunches

We are working hard in school to achieve our Healthy Schools Gold Award, with a particular focus on promoting healthy eating habits for all of our children. As part of this, we would like to remind parents that suitable snacks include fruit or cheese, helping to encourage balanced and nutritious choices. The children are also regularly encouraged to drink plenty of water throughout the day to stay hydrated and support their learning and wellbeing. We kindly ask for your continued support in following our school food policy, particularly by providing a healthy, well-balanced lunchbox for your child. Thank you for working with us to promote healthy lifestyles - your support makes a real difference.

How did we SHINE this week?
