## Highlights of the Week

### **Meeting Buddies and Buddy Lunch**

This week, our Year 6 children met their EYFS buddies. They enjoyed time together where they got to know each other and read a story. The buddies have had their first buddy lunch this week too which was enjoyed by all.

### **Road Safety Online Lesson - KS2**

Our KS2 children took part in an online lesson where they learned how they can support adults when they are inside the vehicle, to keep the driver safe and focused. The children were mature and shared positive ideas throughout.

### **Black History Month Interactive Assembly**

Our KS1 and KS2 children took part in a live assembly this morning with other children from over 4000 schools. The assembly talked about people standing strong together, addressing racism, being proud of who they are and celebrated some key black people both from history and current heroes who have and continue to positively impact the world we live in today.

# Behaviour at Kellington

Since beginning the new academic year, each week the children have focused on one of our school values: respect, resilience, integrity and kindness.

This week, our children have focused on our value of kindness. On Monday, the children took part in an assembly all about 'small acts of kindness'. They learned how kindness spreads like a ripple effect and can not only make other people feel good, but that it also has a positive impact on us.

Following this, the children have thought about and demonstrated different ways of showing their 'small acts of kindness' throughout the week. This has been spotted across the school by staff and also by children noticing each other. There have been many, many house points and golds awarded for this positive behaviour as well as this week's special award in assembly.

Well done to all those children noticed for their small acts of kindness and also those children who were making those choices, even when no one was looking (acting with integrity). You are all helping to make our school an even more wonderful place.

This week's winning team is:
