A word from Mrs Lawrence...

Well, here we are at the end of the first half term, and I can honestly say how much I have enjoyed getting to know the children and families of Kellington Primary School.

It has been a amazing to see the children adapting and changing to our new Kellington Way. It makes me so proud to be a part of their school journey and I can not wait to watch them flourish and progress next half term. I am always here for the children to talk to and to share their experiences, to enable them to get the most form their time school.

Have a relaxing half term

Attendance

Kellington Primary School
Our School - Our Future

If you have only 10 days off school (either authorised or unauthorised), your attendance will only be:

94.7%

To have the best possible chance at school, you should be in school at **8.45am** and ready to start learning!

At Kellington Primary School, we consider **92% or below:**

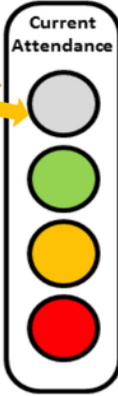

Serious risk of underachievement

For **every minute** that a student is late to school or a lesson, or misses a day, they are **losing learning time**. This will significantly affect their **progress**.

**Better Attainment
Better Achievement
Better Life Opportunities**

ATTENDANCE MATTERS
To shine together, we need to be together!

School Meals

Thank you to those who are now choosing their child's school meal. Please can we ask everyone to pre-order their child's school dinner on Parentpay?

We have this system in place to support your child to choose a meal that they are going to enjoy and the choice can be made up to 3 weeks in advance and up to 8:00 am on the day of the meal.

Our younger children especially sometimes find it difficult to make a choice during registration and whilst the adults in the classroom are available to help, unlike you, they do not know what your child does or does not like. We are finding that some children are getting very upset when they collect their meal and are not allowed to change the choice which has been made.

By choosing your child's school meal it means that we can confidently encourage them to eat what they have chosen, and also, as the register can take quite a while if children have not pre-chosen, we have more time for learning.

If you need help with accessing the meal selector on Parentpay please speak to your child's class teacher or the school office staff.

Thank you for your continued support.
