

KPS Weekly

12.5.23

A Word from Mrs Lawrence...

What a busy week our children have had learning across school. We have been especially proud and impressed by the sheer determination, resilience and positivity shown by our oldest children who have undertaken their SATs tests this week. Year 6, you are AMAZING! We are so incredibly proud of how you have shone. We wish you all a happy and restful weekend - you deserve it.

SATs Week

A huge well done to every single one of our Year Six children: what an attitude towards a difficult week! We are so proud of each and every one of you for remaining cheerful, positive and for putting in your very best effort.

Number day – Friday 19th May 2023

On Friday 19th May 2023, we are going to host a number day to celebrate our love of Maths at Kellington. We have got lots of exciting activities planned in our classrooms, including a re-launch of Times Table Rockstars and Numbots!

To make this day extra special, we would like everyone to come dressed up as a maths rockstar - you might want to wear a wig, design a rock-themed t-shirt to wear, wear crazy trousers or just come with your best rockstar face! You could add some numbers and times tables onto your costume too to make this look even more awesome.

If possible could Year 5 and 6 please bring in a mug and spoon that day to be used as part of their Maths activities? They will bring these home the same day.

We are looking forward to seeing your costumes on Friday 19th May 2023!

Daffodils Stay and Play – Tuesday 23rd May 1-2pm

Daffodils Stay and Play - Tuesday 23rd May 1-2pm

On Tuesday 23rd May, Daffodils class will be open for a 'stay and play' from 1-2pm for parents to come and join in the learning with their children. Staff will be on hand to explain areas of provision and to run a Tapestry demonstration to look at how this can further develop our parent partnership. We look forward to you joining us!

Nursery Stay and Play Date Correction

Our next stay and play will be on **Thursday 15th June at 11am** where we will be celebrating our daddies and other special people in our lives.

Wellie Donation

Our Opal play developments this week have included the opening of our new mud kitchen and digging pit.

We would love to be able to provide the children with wellies to really get in the spirit of play (and to help keep their school shoes clean)!

If you have any pairs of wellies which you could donate, we would hugely appreciate it!

Golden Wellie

Following our initial launch of the digging pit, mud kitchen, stage and sensory tree, the children have been enjoying accessing these new play zones at break and lunchtime. This week's focus has been linked to safe play. The children discussed ways they could demonstrate safe play in an assembly which has then been monitored closely by all staff. The class demonstrating the safest play have been awarded our new 'Golden Welly Award' this week. Our winners this week are: Daffodils Class

Our Amazing Readers!

Fab 50!

Hannah, Finan, Maddison, Sofia

Hero 100!

Billy-Joe

Tremendous 200!
